# AUDITION GUIDELINES

### Vocal Audition

- **Perform a Solo:** Prepare 1-2 solos of contest quality. Most students sing their solo memorized, but that is not required. An accompanist will be provided for you.
- **Vocalization:** You may be asked to do some quick vocalizing to see the full extent of your range.
- **Tonal Memory:** You will sing back some patterns you'll hear played on the piano.
- **Sight Reading:** You will be asked to sight read a small selection.

### Instrumental Audition

- **Perform a Solo:** Prepare a solo on your instrument of contest quality (for example a solo performed at District Music Contest). An accompanist will be provided if you need one.
- **Scales:** You will be asked to perform 2 scales—a chromatic scale, which demonstrates your knowledge of the fingerings of all the notes on your instrument, and a major scale.
- **Sight Reading:** You will be asked to sight read a selection to verify your music literacy skills.

***Students who wish to receive a scholarship should apply for Doane University, indicating their interest in music. Scholarships are contingent on admittance to Doane. Students may audition for both vocal and instrumental scholarships.***
