Communicating with the Instructor

This course uses a “two before me” policy in regards to student to faculty communications. When questions arise during the course of this class, please remember to check these two sources for an answer before asking me to reply to your individual questions:

1. Course syllabus

2. Announcements in Blackboard
3. Email me!

This policy will help you in potentially identifying answers before I can get back to you and it also helps your instructor from answering similar questions or concerns multiple times.

If you have questions of a personal nature such as relating a personal emergency, questioning a grade on an assignment, or something else that needs to be communicated privately, contact me via email or phone. My preference is that you will try to email me first.

Please allow 24 hours for me to respond to emails Monday-Friday and 48 hours on the weekend.

If you have a question about the technology being used in the course, please contact the Doane University Help Desk for assistance.
